

Mr. David Willetts, Minister of State for Universities and Science, U.K. visits Venture Centre, Pune

The Venture Center Library was honored with a visit by David Willetts, Minister of State for Universities and Science. He spent 15 minutes of his valuable time at the Library. He showed a keen interest in the collection, browsing through books, magazines and the bulletin board. Dr. Premnath, director Venture Center, explained in detail the focus and the aim of library.

The following few pictures capture some moments of the visit to the library.

Deeply engrossed in a book....

I'd like to point out this ...

Lets look at the books here....

Something interesting on the bulletin board!
